THAT'S just how the
Armstrong Table Stove
cooks them. It cooks other
dishes just as well—three
of them at one time.

By simple use of aluminum
panniers will cook most anything.
It broils, boils, steams, fries,
bakes, stews and bacon. It
will cook a whole meal in a
few minutes. Cost for electricity
about the same for an ordinary
stove.

Stop in today and see
what the Armstrong
Table Stove can do.
